Juried Photographic Exhibition

July 15- August 14

Gallery 14 is pleased to announce the opening of its second Annual Juried Photographic exhibit on July 14 from 6-8 PM. The exhibit will continue from July 15-August 14 at Gallery 14, 14 Mercer Street, Hopewell, NJ. A total of 41 works will be exhibited from 35 photographers selected from entries from across the United States.

Juror

Ernestine Ruben, internationally known through extensive exhibitions, books, and workshops, has selected these photographs from the wide variety of entries. Her work is included in many major museums and private collections. Most of her life has been focused on art: growing up with it, studying history of art and working in sculpture. She has photographed the human body for years and now applies her love of life and human spirit to landscapes and architecture. Petra (Jordan) and Rodin are strong interests as they deal with issues of life and death. Ruben continues to experiment with diverse concepts and techniques as they relate to photography.

Opening Reception

The opening reception for the exhibit will be on Friday, July 14, from 6-8 PM.
